Goals Galore

There's a little, tiny, sporting eventing going on now, right now - I don't know if you were aware. Hehehe. Just in case you've been on a different planet for a couple of weeks, the Fifa Football World Cup is on right now, with 32 countries competing, and of course, the plushie community joining in too. Our very own Russian host, [@doyka_supercow](#) hosted a competition, [#doykafifaworldcup2018](#) and there's also the [#plushieworldcup](#) taking place - two hash browns that have inspired football managers and players worldwide (our sources tell us that both Cristiano and Harry - to mention just two - have been tuning to Plushie Instagram for goal scoring ideas. Here's just a small selection of the amazing plushie players out there.

Top Left: There's no goal keeper who can get in front of [@au_thefox](#). He's on top form this season. Top Right: is top striker, [@nicimi_biba](#) scoring the winning goal. On ya head daughter! Bottom Left: [@boashki](#) has a novel way to enjoy football. Bottom Centre: This is what it's all about. Fan spirit. PS. Spot the Super Cow? Bottom Right: [@nellikarhu3212](#) looks super sharp in her football kit and has the ball skills to match.

Hello Everyone,

With so many green-pawed friends out there, we thought we'd do a garden special this month, so get your gardening gloves on, we've rounded up some friends to give you some inspiration. And here's what else you can expect from PM this month.

- ✦ Find out what's at the cutting edge of plushie style.
- ✦ Been away for a while? See what you've missed.
- ✦ And finally, may the best team * win.

Lots of love, Topsy Cat Bose x

* insert the name of the team of your choice here as appropriate (but of course, it's England).

Hello friends!

Beautiful Gardens and Gardeners

Today I'm gardening...this is my garden - you see it is full of beautiful flowers now... three happy tips for the garden.

- 1: Do not water the plants when they are in the sun.
- 2: Keep small plants in the shade.
- 3: Enjoy the flowers and plants - they make life happy!

Happy gardening!

Your friend,

Pelut xxx

Well, you know that I love gardening because it's so much joy and fun to see a little little baby plant growing from a seed. It's exciting at the same time to see if this plants will make it (you know at first I thought that I lost my Chilli and Löwenmäulchen and now I know that two of each plants survived and that makes me smile and be happy. At the same time it's soooooo relaxing and helps me to calm down after all my adventures.

I had to put a little bit here and a little bit there in the flowers and plants. They reward me with spectacular growing and blooming.

Love and take good care of yourselves and your plants.

Yours Liam xxxx

Eye on Style: Garden Accessories Fashion

by [@altravelbunny](#)

With the garden being a very popular and relaxing plushie hangout, the pawparrazzi are busy at work.

Cliff Yeti (left) [@yetiontheedge](#) has a magical power of accessorising his garden to match his snowy white fur. He looks like a yeti-angel.

(Right) Such a beautiful treasure found amongst the daisies... our research team is trying to discover more about this new model, Kiko [@adventurabbit](#) on the Tokyo catwalk.

Au the Fox (above, left) [@au_thefox](#) was captured (away from the pitch) while accessorising his casual yet smart outfit with his beer... we wonder if that's a trick to attract fish? The famous Cookie [@cookiemreport](#) (above, centre) was found admiring the beauty of tulips. Of course we might be biased, but we think Cookie is the most beautiful. Lavinia [@marystebears](#) (above, right) has magical 'green-paws' and has cultivated an Iris which matches her complexion.

Good Mews Round Up

Celebrity super hot couple, (below, left) Fluffy and Papaya [@fluffys_fun_adventures](#). tied the knot. Congratulations and all hail and all that! ;) Hip hip hooray! Duck Traveling (below, centre) [@ducktraveling](#) welcomes the blooms this season. And Tommy [@tommydoremi](#) finds that not everything in Chefchauen is blue (well, not this cat at any rate).
