Lambearke kuusjenizes the world

by: @lambearke

Have you ever been to the places I have? You might have noticed a woinkeful pigmark of me. Maybe in town, in a bar.... anywhere. Me, myself in piggish plush, have been there and put this mark for a special reason there.

What's a Kuusj?

Before me explain why me put these pigmarks, I'll tell you a bit more about the word "Kuusj". The word Kuusj means pig in my dialect. Me is from the south of the Netherlands. Huumans and plushies speak a dialect there. Some say that other Dutchies don't understand this dialect, but me has no idea if my Dutch buddies Tailear, Cookie and Bobby, Lisa and Nola understand me when me talk 'plat' (dialect). Plushies are much

smarter than huumans. However, the verb "Kuusjenize" derives from the word Kuusj.

Kuusj- and plush-friendly places

"Kuusjenize" actually means *hanging out like a piggy*. When me visit a country or particular city me kuusjenize the place. This means I have been there, I partied there, I fed my piggish piggy tummy there, cheered with the locals and done a lot more there. When a place is kuusj-friendly (pig-friendly), me put a stamp on a remarkable spot. This mark is an important message for all plushies that visit this place, because it is a sign that it is friendly for all plushies. You can party, eat and meet up with locals without being afraid of being hurt, stolen, starving or whatever. This place is safe for all of us. You know how bad some people like to bbq a pig, so if me survive this particular place and put a stamp there, you don't have to worry.

More about Lambearke

For the ones who don't know me. Me is the coolest of the coolest pig. Me is famous for my December activities. On December 5th is the well-known plushy Sinterklaas Party. This year we'll celebrate our 3rd year. Every year more and more plushy join this great party. Which is woinkeful. The Sinterklaas Party is a name drawing party. Plushy sign up and leave their email. In Oktober all names are drawn from a virtual bowl. Each plushy receive a

name. You buy a gift of about 5 USD, including postal costs, write a note, a poem, a story or make a drawing or whatever and send this. On December 5 we open our presents from our secret Sinterklaas. Check out [#lambearkessinterklaasparty2018](#) to see the joy we had last year. Are you interested? Please DM me your email and I'll start collecting the names. We need to draw in time, since huuman's post service.... me don't think me need to say more....

Moreover, we also have our advent calendar. Last year we plushies made a calendar together with messages, poems, drawings and more. Some were meant for a special plushy, some for all plushies. Would you like to add something special to [#lambarkesadventcalendar](#)? Start thinking and writing and DM me before November 20.

Biggest Plushie Meet Ever?

@fluffys_fun_adventures

Once a year, @red_elmomster returns from Thailand to Germany for an extended vacation and every plushie marks this occasion with a huge celebration! This year, we met in Frankfurt and Munich. We tried to count how many plushies attended but gave up after 100. The waiters in the cafe "Feldbergblick" were overwhelmed and didn't know where to put the food and drinks because we were all sitting on the tables. While we were taking the traditional group photo, a table with bored dads formed. Spare a thought for plushie dads and bring them whiskey whenever there's a plushie meeting. There will definitely be a next one. And another.
