5 penguin pro tips for a great Corona summer

This summer is totally different. Due to some issues with a strange virus that has been affecting people and plushies worldwide our plans for summer 2020 got cancelled without replacement. My friends and I were planning to go to Portugal in July and to the Tuscany in Italy in August and we were already looking forward to some endless days at the beach, our feet (and flippers) in the sand, some long swims in the big blue sea, great

food and beautiful sunsets. I bet some of you guys face the same problems right now. Nevertheless, I want every human and plushie to have an unforgettable summer and that is why I came up with five super awesome ultimate penguin pro tips for you all to try out. At home of course! The following five things are activities me and my friends love to do during summer and we hope they will help you out:

Hello Everyone,

Happy August to you.

We've got some great tips for you this month thanks to lovely Klaus. And we've got a round up of everyone's favourite summer event - Camp Hoopla Hooray! Happy reading.

Love, Topsy xxx

PS: Don't forget #PlushieFashionWeek2020 will be back in September. Dates to be announced soon!

1) Make a BBQ: Well, who doesn't love a good barbecue with friends and family? Invite as many people as permitted (😏) and heat the grill. Pro tip: Don't forget to grill some cheese and veggies! They taste super yummy, are healthy and are a good alternative to the grilled meat.

2) Take a swim: Doesn't matter if you jump into the local outdoor swimming pool, a nearby lake, the ocean or your own pool at home. Even a paddling pool or your own bathtub are enough to cool yourself down and get your head free. A good swim in summer is the best!

3) Cocktails and ice cream: The right snacks are the most important things for a perfect summer day. Cocktail recipes can easily be found on the internet and for most of them you don't need much ingredients. Attention: Plushies don't bear too much alcohol so please make your cocktails alcohol free! Even better: Own an ice cream machine and produce homemade ice cream for yourself and your friends. Enjoy!

4) Read a good book: Almost every plushie has this one book at home. This one book that has been there for over a century but that you haven't read yet due to lack of free time. When if not now? Corona offers us the possibility to do all the things we have been postponing for a long time. So why not carry a sun lounger outside, take something cold to drink with you and start reading that one book? I bet you'll love it.

5) Bake bake bake: Corona turned my friends and me into baking pros. We just love to turn a variety of ingredients into a super yummy dessert and we bet you will, too. And your friends and family will be so thankful (if you let them try 😊)! We can totally recommend banana bread, as it is simple, fast and absolutely delish. For a summer garden party, berry cakes or muffins are also suitable. Have fun and be creative!

Bonus tip – Do what YOU like: Are you the kind of plushie who is always eager to learn something new or to try out a new hobby? Or do you prefer to relax and do nothing to clear your mind and find peace? Either way is perfect for this summer. Staying at home means you'll have a lot of time for yourself and your friends, but that is certainly a good thing. Focus on what you like, listen to your body and heart, stay calm and simply do what feels good for you. Penguin pro tip: Your favourite music makes every activity even better.

We hope these tips are useful to some of you. Tell us how you liked them or if you even tried one of them out!

We hope *everyplushie* will have an unforgettable second half of summer (or winter for those in the far south 😊). Don't let Corona win and enjoy your free time!

Love, [Klaus](#)

Good Mews

Here’s a little round up of all the fun and games that took place during the wonderful Camp HoopLa Hooray. Top left, and we see Loris @[magicandfriends](#) telling scary stories about camp monsters (aghghghghghghg) and now we are super scared. Top right, and well, I’m not sure where Froggy @[themolepack](#) is, but anyway... Bottom left and we see @[sammy_squirrel_adventures](#) in a wonderful camp singalong. Bottom middle @[journey_with_jake_and_doris](#) and enjoying a hearty camp breakfast, and bottom right sees @[littlewaltercon](#) enjoying his camp time.

Every year, camp HoopLa Hooray gets better and better and this year the lovely, it smashed its target and raised \$872 to help chronically ill, handicapped, and special needs children to attend the Texas Lions Camp. Hooray and thank you sweet Hope @[honeygrovebears](#) for organising another fantastic year.

Hello friends! I have great news! The Plushie Summer Olympics are here. Even though Tokyo 2020 is postponed, there’s nothing to stop us plushies from going Citius, Altius, Fortius—Faster, Higher, Stronger through sports.

The #[plushieolympics2020](#) will take place between 24 July and 8 August, hosted by @[the_blahaj_bros](#). Between those days, post a NEW photo or video and use the hashtag #[plushieolympics2020](#) and the CATEGORY hashtag (see details below). See original posts for all the rules.

Chewie is really excited to be judging the ‘All Other Sports’ category, which will include not only the Olympic events not covered by the main categories, but also any interesting game/sport/activity you can think of. You don’t have to be a sport expert to join! Everyone can do something really well, and let’s celebrate that.

Hope to see you all at the stadium! Good luck to all!
