

PETS' MEWS

The MewsPaper for Instagramming Pets, Plushies and their People

#PlushieFashionWeek2020 Special Edition

What an absolutely fantastic week we had. Over 450 shows from 176 fashion houses across the globe. Now, isn't that amazing? Hopefully, you'll be able to spot yourself in the collage below. We've tried to gather a list of everyone who took part, see last page, and we tried to pop by and visit everyone. I'm so sorry if we didn't, but send us a message and we'll definitely look in on your show!

Thank you to all the fabulous designers, creators, photographers, models, and cheerers on! We had so much fun, and hope you did too. A big thank you to our Royal Fashion Correspondent Sara @zarina_azib who was trend spotting for us - you can see some of the emerging themes with the collages she's picked out for you. Thanks Sara for your excellent input! Again, apologies if we haven't been able to feature you this time, we loved you all, but with so many entries to choose from, we were limited in terms of time and space. But you are all creative geni! And we

Plushie Fashion Week 2020: Top Trends

by @zarina_azib

The week kicked off with Princesses wearing their Tiara/Crown (pictured bottom left) and of course, in 2020, the Evil Miss Corona came uninvited and refused to leave, so wearing a face mask became the New Normal.

By mid week, we had already seen many amazing collections and fashion shows, but what attracted my attention the most are the "creative" fashion (pictured below).

By Thursday, we had plushies wearing :

- 1. A Bag
- 2. An Orange

- 3. A Pouch
- 4. A Sweet Bag
- 5. A Pocky Bag
- 6. A Curtain
- 7. Three Cotton Balls &
- 8. A Red Coat Pocket

And there were more daring fashion statements to come!

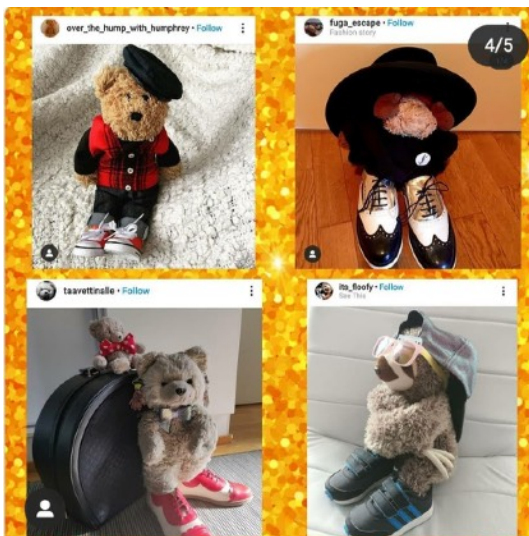

Here are some of our Friends doing their Plushiewalk for their Evening Wear/Long Dresses/ Gowns.

Don't they all look so gorgeous!

Among all the fashion accessories that I own, the MOST precious to Me are my Shoes. For the whole of 2017, Mummy tried her best to buy Shoes for Me but with no success. Mummy finally bought my FIRST pair of shoes in 2018 from Galeries Lafayette in Paris. Mummy actually shed some baby tears when the shoes fit Me pawfectly.

Here are some of our Friends putting their fashionable Shoes/Footwear forward. From Japanese traditional Sandals, Rubber Boots, Crocs to Sneakers.

If you know Me, you will know by now that I LOVE ❤️❤️❤️ IKEA.

Piggy and other Piggy friends showing their Piggy Collections and doing their Piggywalk 🐷

Thank you to all of Princess Sara's super models (listed here in the order of the photos presented).
