HOOPLA HOORAY 2021

by Michelle Friend | May 5, 2021 | Camp, Honey Grove Bears, Hope's Read | 0 comments

This is an annual virtual global plushie event that happens for 4 days during the summer - 24th - 27th June. You can read more about it on Hope's [blog](#).

It's also our annual fundraiser for Texas Lions Camp. Let's send more children for 2021!

[Texas Lions Camp](#) is a non-profit that exists to provide a holiday, without charge for children with physical disabilities, diabetes and cancer from the State of Texas, regardless of race, religion or national origin.

In 2020, our wonderful plushie community helped raise a whopping \$872 which meant that we could send 1 child to enjoy the camp. Find out more.

Hello Everyone,

We hope you are all keeping well, safe, and in good spirits.
